

Meet Howard. He can cut costs and look like an IDLE FREE hero.

Howard's fleet is burning cash, carbon and air pollution from driver idling behavior.

Howard's PROBLEM: his drivers don't care about idle time.

Or what it costs in fuel, maintenance, safety risk, or company reputation.

In today's climate, companies like Howard's are driving to be green fleet leaders.

Frustrated fleet managers like Howard now have a powerful solution.

IDLE FREE for our kids® eLearning transforms driver beliefs and behavior on idle time.

Clifford Cheathon, IDLE FREE for our kids® certified motor coach driver:

"Consciousness of idling after you go through your program... I mean it's like I don't even want to start the bus, you know, I don't want to create any more pollution that I have to."

Fleets like Howard's CAN go IDLE FREE, cut costs and look like heroes!
